Company Over view

ZADesignsHome is a boutique interior design studio creating elegant, functional, and emotionally refined spaces for modern living. We blend creativity with strategic design to deliver timeless results that elevate everyday life.

About Us

ZADESIGNSHOME Studio is a Saudi interior design and project supervision firm founded by Eng. Zainab, Founder and Creative Director. With deep expertise in interior design and on-site supervision, she leads a multidisciplinary team of designers, engineers, and craftsmen to transform ideas into refined, functional spaces.

The studio's portfolio spans residential, commercial, and luxury projects, distinguished by a seamless blend of creativity, precision, and attention to detail.

At ZaDesignsHome, we believe that interior design is not just about decoration; it's about transforming spaces into living experiences that reflect the client's personality and create harmony between beauty and functionality.

To become a globally recognized Saudi brand in innovative interior design, offering luxurious, meaningful spaces that redefine lifestyle and inspire individuals and brands through a contemporary identity.
